SERVANTS OF THE GOSPEL

Dear Brothers and Sisters in Jesus Christ,

We rejoice in the word of the cross, which to us who are being saved is the power of God unto salvation in Jesus Christ (1 Cor. 1:18). Our Lord Jesus, the Son of God, became a servant for us by laying down His life as a ransom for many (Mark 10:45). As those called by God's grace, we too are servants of our Master, sent forth by Him to labor in His harvest fields. So it is with pleasure that we dedicate this newsletter to introduce three men who labor for Christ's church in Western Nepal alongside Pastors Mohan and Udaya.

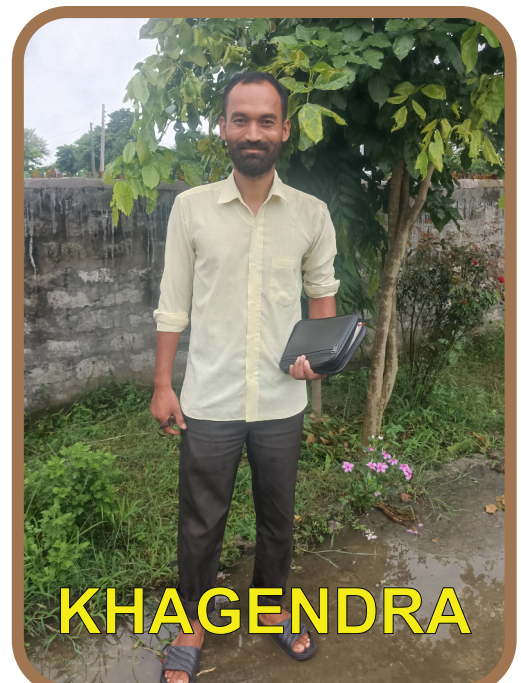

DIL

SERVANTS CALLED TO GOD'S FIELD: THREE EVANGELISTS FROM WESTERN NEPAL

• **Dil** – “I was born and brought up in a Hindu family. Before I came to the Lord I was severely sick almost three months. I did all the possible religious rituals (worship, offerings, and treatment) to recover but nothing work out. I was in bed with pain, disappointed, and hopeless.” One day, a man named Jayaram came to visit where he shared the gospel with Dil and prayed for God's healing mercies. Soon after, Dil was healed and “began to love the Lord Jesus Christ.” He made profession of faith in Jesus Christ on October 11th, 2007. In addition, Dil's parents also came to faith in Christ, having witnessed God's healing mercies, and together with Dil share that gospel with family and neighbors. Dil currently serves as an elder at a village church in Western Nepal where he worships with his wife, three children, of whom one is married with one grandchild along with many others. He actively shares the good news of Jesus Christ with his fellow villagers and rejoice in Christ's saving grace.

• **Khagendra** – “Before knowing Christ personally, I was severely sick with kidney and liver problems. I went many hospitals

to check up and spent lots of money but that could not help me to recover. Because of that I was disappointed and discouraged. One day, a Christian widow would always share and encourage me to believe in Jesus Christ.” Hoping that healing would come soon, “I accepted the Lord Jesus Christ as my personal Lord.” But after this, Khagendra suffered rejection from his family and friends, being forced to live outside his parents' cowshed for three years. Many mocked and ridiculed him for his faith in Christ, especially when healing did not come right away. Yet by God's grace, Khagendra held fast to his faith in Christ, and God gradually healed him. After profession of faith and baptism, Khagendra attended five months

KHAGENDRA

of short bible school, where he became passionate for ministry. A married man with two boys, he now serves as an elder and evangelist in Western Nepal, seeing many people come to faith in Christ through his preaching. Khagendra concludes, "There were lots of ups and downs in my life, but He is the most faithful and trustworthy God ever I met."

• **Ubjan** – "I was born and brought up in orthodox Hindu family where my parents and I were devoted to Hindu gods and goddess. I wished to have peace, harmony and blessings from the gods in my family." In spite of that, his family life was filled with fighting and poverty. He sought refuge in politics, joining a communist party, and in alcoholism, leaving him disappointed and hopeless. At this time, a brother in Christ shared the gospel with Ubjan, who refused to believe at first. After receiving a Bible after the second visit, Ubjan began to read the Bible. "Gradually I began to love the Lord Jesus Christ and believe in him with whole heart and mind." Now a married man with four children studying school, Ubjan serves as a lay pastor for two village churches in Western Nepal. He concludes by sharing, "There are challenges and difficulties in my life to raise the children and give education to them, but I am happy that we're living peacefully with contentment, all

because of the Lord."

- All three men currently receive ongoing pastoral training through WBM's weekly Zoom classes with the goal of being examined and ordained to the gospel ministry.

SPECIAL PRAYER REQUEST: TRAINING IN THE PHILIPPINES

- Many of our Nepali brothers desire to come and visit God's people in the United States and share what Christ is doing to build His church. However, such a trip remains impossible at the present time.

- Instead, at the advice of some

brothers, the RPCN made contact with another Reformed denomination, the POCRC in the Philippines. Through the generosity of God's people, we raised enough funds to send two members of the RPCN (Pastors Prashant & Sanish) to attend leadership conferences and the POCRC's Classis meeting later this month

- Pray that the Lord would bless this visit and that our Nepali and Filipino brothers would learn from each other how to apply Reformed doctrine and practices in their respective countries.
