Westminster Biblical Missions

November -December 2022

Emmanuel Gill, Director

Greetings Co-laborers in Missions,

We are happy to report that Rev. Howard Sloan and Rev. Jonathan Merica have safely returned from Pakistan. It was a very busy ten days with Bible conferences each evening. "Assurance of Salvation in Christ Alone" was preached to thousands of Pakistani people, accompanied by joyful singing in worship of our great God. All four of the Calvin Academy sites hosted events as well as a few others. The Pakistani brothers made sure that Revs. Sloan and Merica were warmly and enthusiastically welcomed everywhere they went.

The mornings were spent addressing the seminary students and professors on being faithful

servants of Jesus Christ. There are currently four students with three more expected soon. Revs. Sloan and Merica were also able to meet with our seminary professors, tour Calvin Academy I and the clinic, and view samples of the work our students in the sewing program have done. Calvin Academy also employs a

carpenter and metal worker who are able to take wood and other pieces from the junk yard and turn them into new doors, tables, benches and pulpits for use in the schools and churches.

The highlight of the trip was to honor Rev. Sardar Ahmed Din for his fifty years of faithful ministry with WBM in Christian service. At the service in his honor, Rev. Sloan preached a message from Matthew 25 titled, "Well Done, Good and Faithful Servant." Rev. Sloan reminded the guests that while the praise of men is nice to hear, our aim as Christians should be to hear "Well Done" from the lips of

our Lord Jesus Christ. Rev. Sardar was showered with gifts and awards from many of his co-laborers and churches throughout the area. Brother Sardar urged the

people to follow the leadership of the new Director of WBM's ministries, Rev. Emmanuel Gill.

THE FUTURE

Under the leadership of Rev. Emmanuel Gill the ministry in the Lahore area is entering a new phase. Rev. Sardar was the face of WBM at Lahore for fifty years. He set the tone both theologically and practically. Fortunately, Rev. Gill have spent many years assisting Rev. Sardar in various capacities. He is well prepared to step up to the task ahead.

CURRENT PROJECTS

The Calvin Academies have been a tremendous blessing for decades to the thousands of students who have entered their halls. Our mission provides a Christ-centered, Biblically sound education for those who come from poor and destitute families.

Construction for a new facility for Calvin Academy II

The Students of Calvin Academy I

has been started. Many classrooms are already complete, although they still have dirt floors. There is still a need for additional classrooms, bathrooms, and offices to be built. They will be constructed as funding for this next phase of construction is provided.

Calvin Academy IV is meeting in a sparse, small, rented space. The land for the new Academy has been purchased but requires development as soon as possible so that squatters are prevented from coming in and taking possession of the land.

As always, we are grateful for your continued prayerful and financial support. Thank you for assisting us so that our labors in the Gospel can continue in Lahore area. Be assured that the redeeming

love of God the Father in His son Jesus is being proclaimed in Pakistan.

On behalf of the Board of WBM, our missionaries,

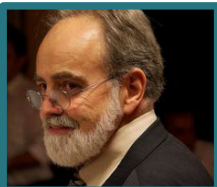

and all our Pakistani brothers and sisters, we wish you the blessings of our Lord Jesus Christ during this holiday season.

In Christ's Service and Yours,

Rev. Dennis Roe, Field Chairman

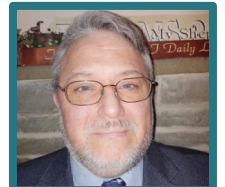

Rev. Howard Sloan, Assistant Field Chairman
